2009 Meeting of the HRM Study Group of the IIRA
15th World Congress of the International Industrial Relations Association (IIRA)
Sydney, Australia, 24-28 August 2009

The 2009 meeting of the HRM Study Group of the International Industrial Relations Association (<http://www.ilo.org/iira>) will be held on Monday, **24 August 2009**, during the 15th World Congress of the IIRA in Sydney, Australia (<http://www.iceaustralia.com/IIRA2009/>).

Abstracts and papers are invited on the above topic. We are keen to receive papers utilising a range of methodologies to explore and to analyze the importance of ethics and international human resource management. The study group coordinators encourage the submission of theoretical and empirical work. We are especially interested in papers that adopt a comparative and/or international perspective. Original work that has not been published or accepted elsewhere is preferred.

The abstract should be around 1,000 words. The title page should consist of the paper title, name(s) of author(s), institutional affiliation and address, and contact details. Please send the abstract or paper as a Word or 'rtf' file by e-mail to s.zagelmeyer@cbs-edu.de no later than **1 February 2009**. A committee will evaluate all submitted abstracts and papers. We would like to request all contributors to pay particular attention to the following aspects when preparing abstracts and papers: (i) make clear references to the theoretical framework of your research and the key literature in relevant debates; (ii) ensure that your research methods are clearly described; and (iii) focus the abstract on the main subject matter of your research.

Acceptance decisions will be communicated by **14 February 2009**. Accepted papers should be submitted by **31 July 2009** and will be made available on the study group's working paper series.
