Manchester, United Kingdom, 3-7 September 2007

The 2007 meeting of the HRM Study Group of the International Industrial Relations Association (<http://www.ilo.org/iira>) will be held during the 8th European Congress of the IIRA in Manchester, United Kingdom (<http://www.iiraeurope07.org>).

Abstracts and papers are invited on the above topic. We are keen to receive papers utilising a range of methodologies to explore and to analyze the importance of fairness for human resource management. The study group coordinators encourage the submission of theoretical and empirical work. We are especially interested in papers that adopt a comparative and/or international perspective. Original work that has not been published or accepted elsewhere is preferred.

The abstract should be around 1,000 words. The title page should consist of the paper title, name(s) of author(s), institutional affiliation and address, and contact details. Please send the abstract or paper as a Word or 'rtf' file by e-mail to s.zagelmeyer@fh-bad-honnef.de no later than **16 February 2007**. A committee will evaluate all submitted abstracts and papers. We would like to request all contributors to pay particular attention to the following aspects when preparing abstracts and papers: (i) make clear references to the theoretical framework of your research and the key literature in relevant debates; (ii) ensure that your research methods are clearly described; and (iii) focus the abstract on the main subject matter of your research.

Acceptance decisions will be communicated by **31 March 2007**. Accepted papers should be submitted by **31 July 2007** and will be made available on the study group's online-based working paper series (<http://iira.fh-bad-honnef.com>).
